

# The Teaching Garden

Established 2008

This view is looking east at the location of the pavilion storage locker. The ground was dug down 4 feet and filled in with topsoil from a construction site. 10 yards of Doctor Dom's Duck Doo was roto tilled into the whole area.

This is the main garden now. 22 raised beds and 5 apple trees. There is also a small orchard with 2 more apple tree, 2 cherry trees a plum tree and 2 blackberry bushes. Between the 2 garden areas are 2 grape trellises with 4 grape vines.
